

Home delivered meals for NDIS participants

Kinela

Reliable, nutritious and delicious food delivery, throughout the coronavirus situation.

We're here to help.

Kinela has ramped up production and secured operations to ensure that we can feed as many members of our community as possible.

Healthy, affordable meal delivery

Concerned about having access to food? Don't worry, Kinela is here to help. Kinela can deliver healthy and affordable meals (breakfast, lunch, dinner and snacks) straight to your door. [View our menu.](#)

Feel prepared with meals you can store

All of Kinela's meals can be stored in a freezer for a minimum of 6 months. So you can prepare with confidence if self-isolation is required. [Order online.](#)

Meals for your circle of care

Kinela enables you to provide for yourself and your home. Companion meals are available at a discounted rate for anyone in your circle of care. [Find out more about Companion Meals.](#)

Service you can trust

Kinela is proud to be a HACCP accredited organisation – a globally recognised accreditation of the highest level of food safety and quality practices. To keep our customers even safer, Kinela has created a contactless delivery system. Delivery drivers will now leave Kinela food boxes at the door of our customer (or in a safe outside location of their choice). [Contact us for more info.](#)
