-----	----	--------
8. Do you know the participants current weight?
9. Does the participant regularly experience fatigue?

Yes	No	Unsure
-----	----	--------
10. Can the participant express what they want?

Yes	No	Unsure
-----	----	--------
11. Can the participant follow instructions?

Yes	No	Unsure
-----	----	--------
12. Can the participant engage in conversations?

Yes	No	Unsure
-----	----	--------
13. Do they currently receive any allied health services? If yes, please list (e.g. OT, physio, psychologist).

## Kick-start:

Kinela offers a range of innovative health services to help people achieve their health, independence and social goals.

Kinela's Kick-start planning session is a 360° multidisciplinary assessment to understand individual needs, goals and lifestyle choices – in one comprehensive session. Kinela then creates a personalised solution to suit the exact requirements of the individual – saving time, money and ensuring the best outcomes possible.

**This session will require 3 hours of funding under Capacity Building – Improved Daily Living.**
